

# **RESUME SORTER**

**[WWW.GEEKRESUME.COM](http://WWW.GEEKRESUME.COM)**

# ABOUT US

helps the recruiter to find qualified candidates in a much lesser time

helps in segregating the applications according to the necessities

# GOALS AND OBJECTIVES

## Objective n° 1

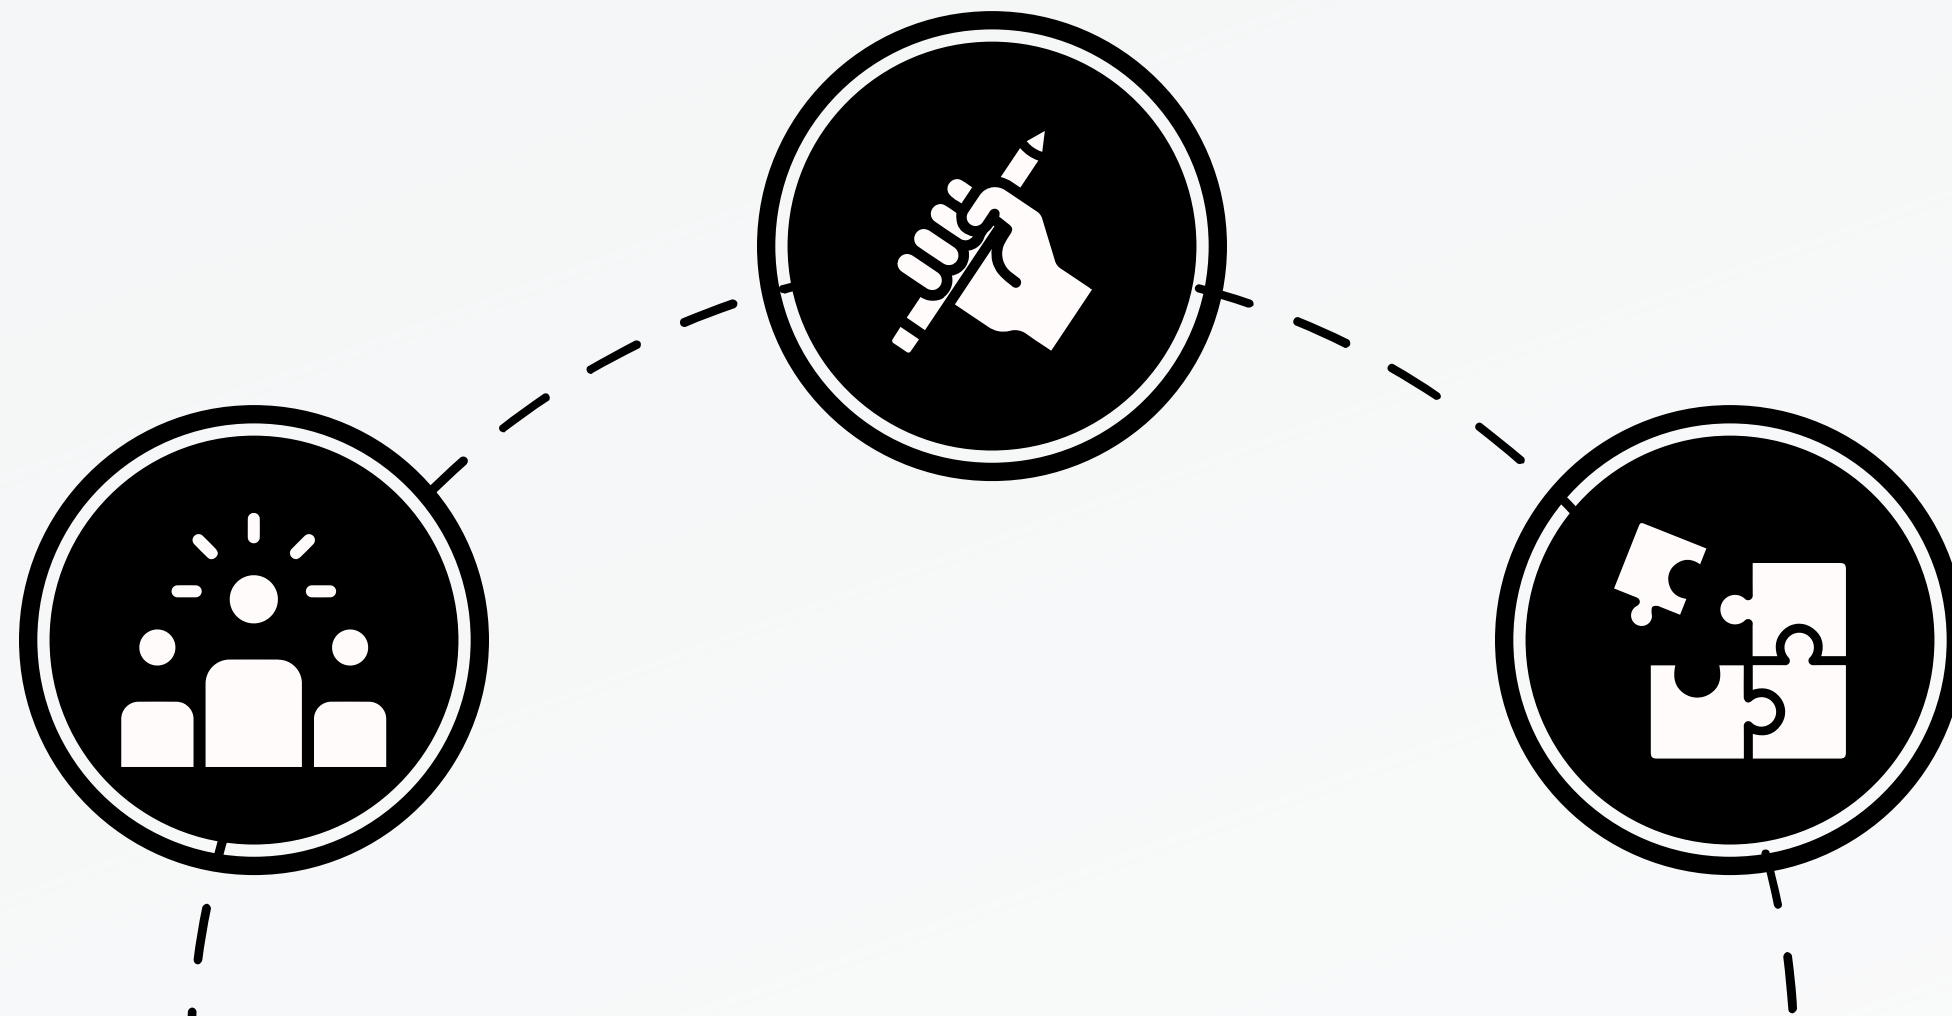

segregation the applications based on the needs of the recruiter

## Objective n° 2

applicants get to build their resumes in a proper way

## Objective n° 3

the recruiter has an option to directly chose the resumes under the given designation

# CONCEPT

- The recruiter is given an option to select the resumes under a particular designation.
- He/she can give multiple key words using which specific resumes get picked
- A basic model of a resume is provided, making it easier for the applicants to build their resumes around it .
- they can also apply to a specific role directly.
